Education

Moore High School | August 2013 – graduated May 2017. Graduated with honors in the top ten percent of the class. Maintained a 4.2 GPA.

University of Oklahoma | August 2017 – current. Expected graduation with BSW in May 2021. I plan on receiving my MSW following graduation in May of 2021.

Relevant Educational Experience

Link Crew and Leadership

I acted as a mentor to incoming high school freshmen. Conducted weekly meetings over two semesters with roughly 25 students and gave lesson plans that would encourage and show them how to handle different topics and situations.

Leadership and Class Office

I ran for and was elected into class office my senior year of high school. Enrolled in the leadership course and attended monthly outings sponsored by the Superintendent. Planned and hosted numerous events for the entire senior class over both semesters.

Internship at YWCA Oklahoma City

In August of 2020 I began my practicum experience at YWCA Oklahoma City for my senior year in the BSW program at the University of Oklahoma. Since August I have learned more about domestic violence – specifically in Oklahoma – and different resources available to victims and their families. I have been trained in taking a trauma centered approach when speaking to clients and understand how to create a welcoming environment. I have conducted one client intake by myself and have shadowed other advocates as they conducted walk ins. Throughout the spring semester of 2021 I will conduct weekly intakes and walk ins to build my own case load.

Awards and Scholarships

*Bennie Raine Scholarship / Awarded by the Moore School Alumni Association.
College of Arts and Science Dean's Honor Roll / Dean David Wrobel*

Relevant Work Experience

Community After School Program

Site Staff / August 2019 – March 2020

As site staff I am responsible for setting up daily activities, watching elementary children and keeping attendance, assisting children with various activities. Occasionally hold the title of Staff in Charge, which means filling out forms and contacting and talking to parents.

Hideaway Pizza

Server / May 2020 – current

As a server I am responsible for greeting guests, taking and entering orders, delivering food, and ensuring that my guests are comfortable and have what they need. I have experience as a shift lead, where I am responsible for other servers and support staff throughout the shift.
